Dear Parent/Carer

RE: Communication with School

As you are aware, All Saints Church of England Primary is a very big school and as a result it may not always be straight forward for you to contact a member of staff. We feel it is very important that all parents and carers are confident that they can contact school and know who they should be getting in contact with.

We appreciate that it is important that, as parents and carers, you do have the opportunities to speak to different members of the school team and we greatly value your continued involvement in your child's welfare. To ensure that this happens, please can you contact the school office so an appointment can be made prior to any meeting. This will help to avoid any disappointment about a specific member of staff not being available.

We have a highly supportive governing body and they are also available to meet with parents. This can also be arranged through the school office.

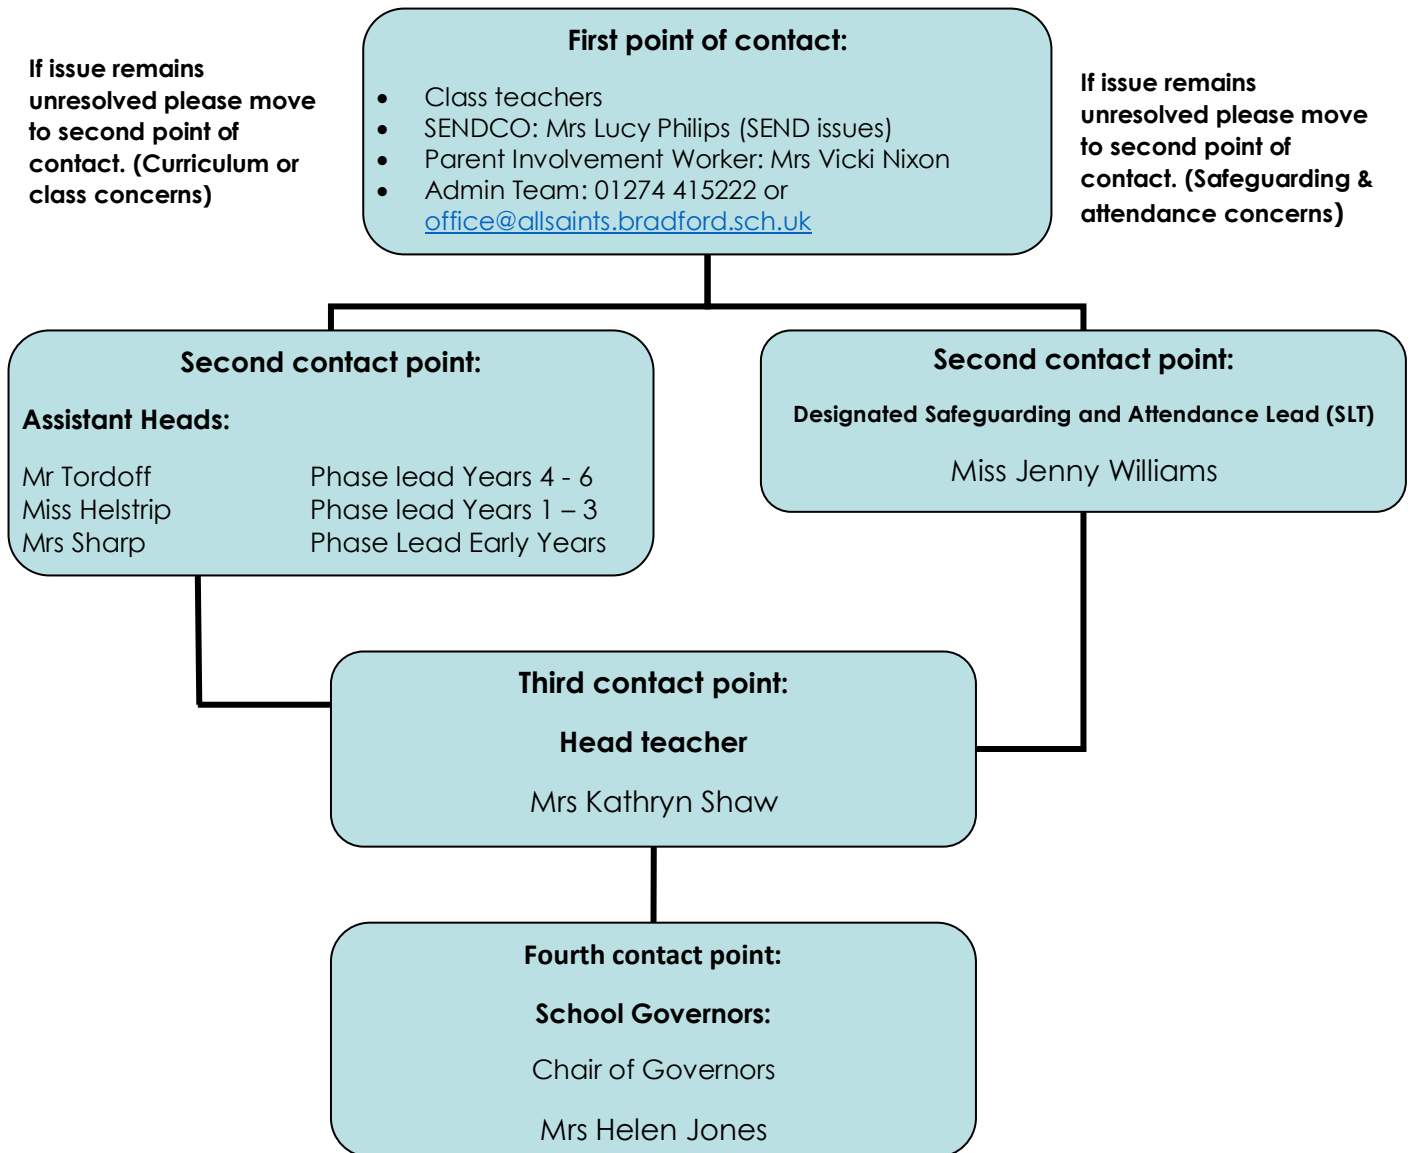

Please note that members of the Senior Leadership Team will be out in the playgrounds, mornings and afternoons, on a daily basis. We are very happy to have informal conversations about anything concerning your child and/or wider school issues, at these times.

Yours sincerely

Mrs K Shaw
Headteacher

We are a united, caring community of learners.

Communication with School

Dojo communications:

As you are aware, we make extensive use of dojo to inform you about upcoming whole school and class-based events. Individual class teachers also welcome communication about your child's individual learning issues. They will aim to get back to you as soon as possible however, please be aware that this will be within working hours and may take a bit of time due to teaching commitments. If your query is of a more urgent nature, then please contact the main office so that they can organise an opportunity to speak with yourselves.

We are a united, caring community of learners.
