Redwood Resourced Provision All Saints CE Primary School

SPLCN Check List

Admission criteria for resourced speech and language provisions should include consideration of whether the child meets the key indicators of DLD even if formal diagnosis has not been made.

The child's main area of need should be speech and language, including difficulties with:

- understanding words and sentences, struggling to follow instructions or answer questions and understand what others say
- using words and sentences, putting words together in the right order and using the correct grammar
- word-finding difficulties, finding it hard to retrieve the right word to use and to learn and retain new

words and concepts

- speech-sound difficulties that need intensive speech and language therapy intervention.
