Dear Parent/Carer

I hope you have had a lovely holiday. It is good to see the children back in school at the beginning of what promises to be a busy and exciting final half-term of the academic year.

It is with great pleasure that I send you your copy of our latest OFSTED inspection report written following the inspection carried out in May.

As you will see, the inspectors confirm that All Saints remains a good school with markedly improved outcomes for pupils leaving us at the end of Key Stage 2, and better progress being made in all subjects compared to the national average.

Pupils informed the inspection team that staff resolve problems and fall-outs promptly and the children cooperate and respect each other.

Teaching is 'consistently good'.

This report is a testament to the team effort that everyone involved with the school has made to help us raise standards and ensure your children are safe and well-educated. I'd like to thank staff for their support and dedication.

As parents, I am sure you will read the fantastic comments about your children in the report with huge pride.

You will see the inspectors identify two areas for us to work on, to ensure we provide an even better education in the future. In addition to these areas for improvement, we will also aim for even higher standards in everything we do.

The OFSTED Inspection report will also be available to download from the school's website, and the OFSTED website.

Yours sincerely,

Mr John Davie
