Beat the Street

Once again, thanks to all our families for their superb effort in the summer. Micah in Year 3 received the winner's trophy and book vouchers on behalf of the school. Keep a look out for the new library books we have bought with our prize – they have a special notice inside the front cover.

Harvest Festival

All are welcome to join us at All Saints Church for Harvest Festival at 11:15am on **Sunday, 7th October**. Thanks to all who have donated food for the Bradford Foodbank.

NSPCC Speak Out – Stay Safe Programme

We are very pleased that the NSPCC will be visiting school, on a number of occasions in October to provide our children with some vital information about how to keep themselves safe and protected. The team will work directly with some of our pupils as well as talking to the whole school through assemblies. The NSPCC offer this work free of charge and we felt we would like to support the charity. Therefore we will be having a non-uniform day on Friday 19th October and would request a voluntary contribution of £1 per child. All the proceeds of this collection will be given to the NSPCC. Continuing donations enable the charity to continue with this vital work with our children. Thank you for your support.

Kennion Street Parking

Unfortunately parents have been seen removing the traffic cones to park on the zig zag lines on Kennion Street. The cones have been placed there as a safety measure for our All Saints children – please do not remove these cones, thank you.

School Dinners – Thursday 4 October

Please ensure your child has a school dinner this Thursday – they have a chance to win a Cineworld voucher if they do!

McMillan Coffee Morning

A big thank you, for all the donations and to all parents who supported our MacMillan coffee morning last week. We raised a grand total of £126 so far.

Friday Afternoons

Thanks to all parents who have promptly picked up their children at 1.05pm (Kennion Building) and 1.15pm (Powell Building) every Friday. This change has enabled our teachers to plan together more effectively and allowed Teaching Assistants to benefit from vital training, this will really help improve the education your children receives at All Saints.
